Diabetes Care Facilitation Web App

The image displays the ALRT Diabetes Care Facilitation Web App interface. The background is a blurred photograph of a doctor in a white coat interacting with a patient. The app's header features the ALRT logo on the left and navigation links (COMPANY, NEWS, CONTACT, LOGIN) and a red 'GET THE SOFTWARE' button on the right. The main content area has the title 'Remote Monitoring System for Diabetes' and the tagline 'Improved Adherence. Better Health Outcomes. More Revenue.' Below this, a tablet displays the app's user interface. The tablet screen shows a sidebar menu with categories like HEALTH, CLINIC, and ACCOUNT. The main panel displays a 'CHRONIC CARE' section for a 'DEMO PATIENT', showing A1C 7.5%, 'Not yet tested', and 'Last Upload: 2015-08-14'. It includes a 'TREND GRAPH REPORT' with a line graph showing glucose levels over time, with a legend for Goal, Daily Average, Device Uploads, Manual Entries, and Control Readings.
